

Lance Eustache Fontil

lefside.com / contact@lefside.com / 954.804.2012

Objective

To produce the best quality creative designs for those looking for the best quality creative solutions. Advance technical approach, artistic ability, and design sense to better achieve client satisfaction.

Experience

Rex3/Fanatics / June 2024 – April 2026

Variable Design Specialist

Design Topps trading cards using Adobe Creative Suite in conjunction with Rex3's Card Factory program and XMPie uDirect variable software. Work among senior, and junior variable designers. Communicating between project coordinators, mastering, and retouching teams to ensure quality on all deliverables.

Pacer Group / August 2019 – June, 2024

Pad Print Operator

Designed actuators for mariner panels through use of company Mutoh 426UF Printer. Created custom actuator artwork for customers and worked independently with minimal overseeing from management.

Cloth Promotions Plus / January 2018–March 2019

Graphic Artist

Designed templates for Cloth Promotions Opper Fiber brand of products, ranging from dog-tags, pouches, and other products. Worked collaboratively amongst a team of four, with two junior designers and a senior designer.
